Public Hearings Tuesday, April 4, 2006

The Southern Shores Town Council will be having two public hearings at the next Council meeting. More information is available at [Town Zoning Map amendment](#) for the All Saint's Church and [Non-Commercial Charity Event Sign](#) Ordinance.

Canal Dredging Project

The Southern Shores Canal Dredging Project, which had been making great strides toward getting underway in 2006, has been pushed back at **least another year**. An adequate spoils disposal area for Phase I was not able to be secured. Regretfully, when the Town was laid out, there was no land set aside nearby for dredging spoils. The Town needs a site of approximately 5-10 acres that would be needed over 1-3 dredging cycles (September through March) to handle the 130,000 cubic yards of dredge material.

Town officials are talking with several property owners regarding possible spoils handling sites. Watch the Broadcast News for updates on this critical project.

Pesticide Disposal Collection Day—April 4, 2006

Unwanted pesticides that are clearly labeled will be accepted at the Dare County Pesticide Disposal Collection Day on Tuesday, April 4, 2006. Pesticides such as insecticides, fungicides and herbicides can be dropped off at Dare County Public Works, 1018 Driftwood Drive, between the hours of 10:00 a. m. and 2:00 p.m.

Interested persons must contact the Dare County Center of the North Carolina Cooperative Extension at 473-4290 to supply a list of what you intend to bring and to receive instruction on how to transport the pesticides. This program is sponsored by the County of Dare, North Carolina Cooperative Extension and the North Carolina Department of Agriculture and Consumer Services. Do not miss this rare opportunity to dispose of pesticides safely.
